

B22 and E27 LAMP HOLDERS

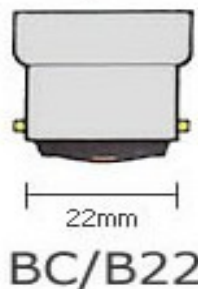

If you are not familiar with these two different types of lamp holder, see this simple guide.

B22 LAMP HOLDER

B22 (BC) or 'Bayonet Cap' is the standard and most popular type of lamp holder in the UK and it will fit a light bulb cap with a 22mm diameter.

Bayonet

E27 LAMP HOLDER

E27 (ES) or 'Edison Screw' is the standard and most popular type of lamp holder in most EU countries and it will fit a light bulb cap with a 27mm diameter.

Screw Cap
